A corrigendum on

Protective effects of intermittent hypoxia on brain and memory in a mouse model of apnea of prematurity

by Bouslama, M., Adle-Biasette, H., Ramanantsoa, N., Bourgeois, T., Bollen, B., Brissaud, O., et al. (2015). *Front. Physiol.* 6:313. doi: 10.3389/fphys.2015.00313

Due to an error in the proofs missed by the authors, the name of the author Homa Adle-Biasette was reported incorrectly as Homa Adla-Biasette. Also the citation was Adla-Biasette H instead of Adle-Biasette H.

The affiliation for Dr. Adle-Biasette was incomplete and should be Department of Pathology, Lariboisière Hospital, AP-HP, Paris, France.

The authors apologize for these mistakes. The errors do not affect the scientific results of the article in any way.

The original article has been updated.
